Introduction to the Museum Education Division

NAEA 2013

Anne Manning, Jackie Terrassa
& Michelle Grohe

NAEA: Mission

- The National Art Education Association advances visual arts education to fulfill human potential and promote global understanding.

NAEA Vision

- Students of all ages benefit from comprehensive, balanced, and sequential learning in the visual arts, led and taught by qualified teachers who are certified in art education. Art educators meet ethical and rigorous standards of excellence in preservice preparation, ongoing professional development, pedagogy, and inquiry in the field. School-based visual arts instruction surpasses national, state, and local standards and is enhanced through access to art museums and other community resources. The power of the visual arts to enrich human experience and society is recognized and celebrated throughout the world.

NAEA Strategic Goals

Community

- NAEA is a dynamic, inclusive, and diverse professional community that shares a commitment to NAEA's mission and vision.

Advocacy

- NAEA influences stakeholders and decision makers to support visual arts education.

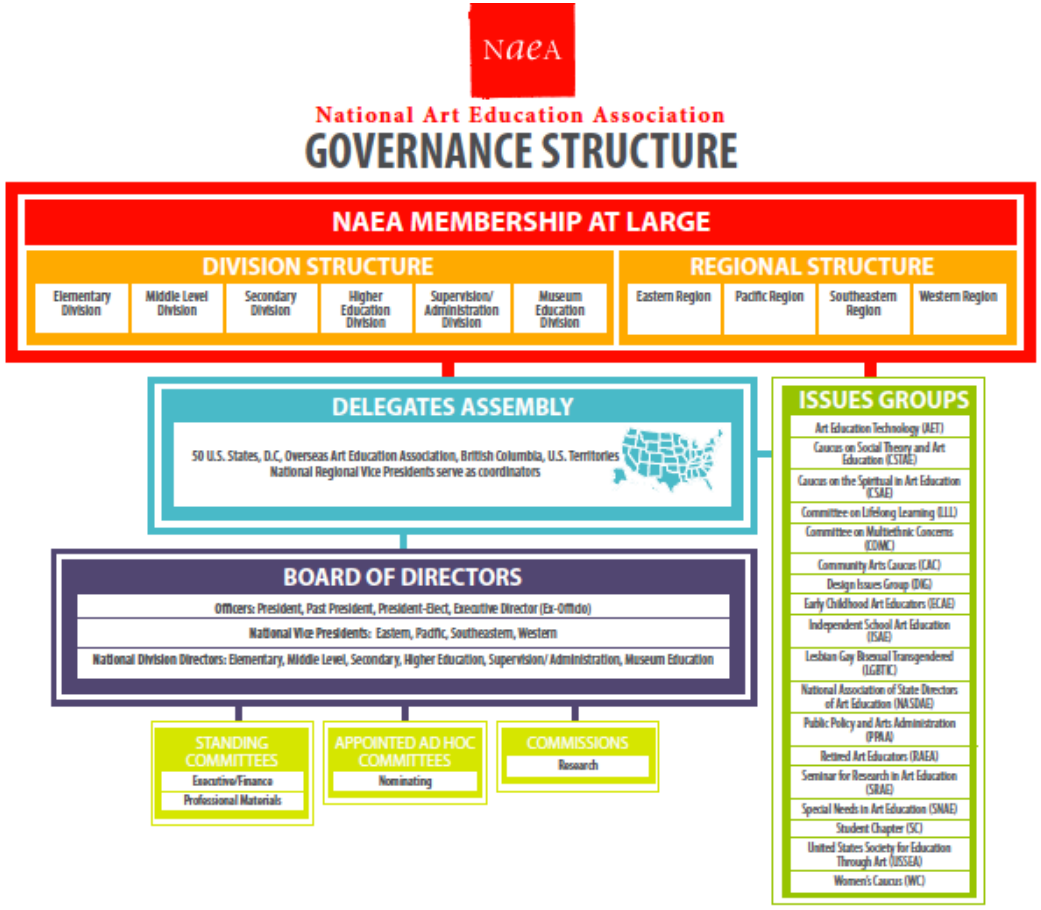
Learning

- NAEA provides exemplary learning opportunities that help members become more effective educators, artists, leaders, and advocates for visual arts education.

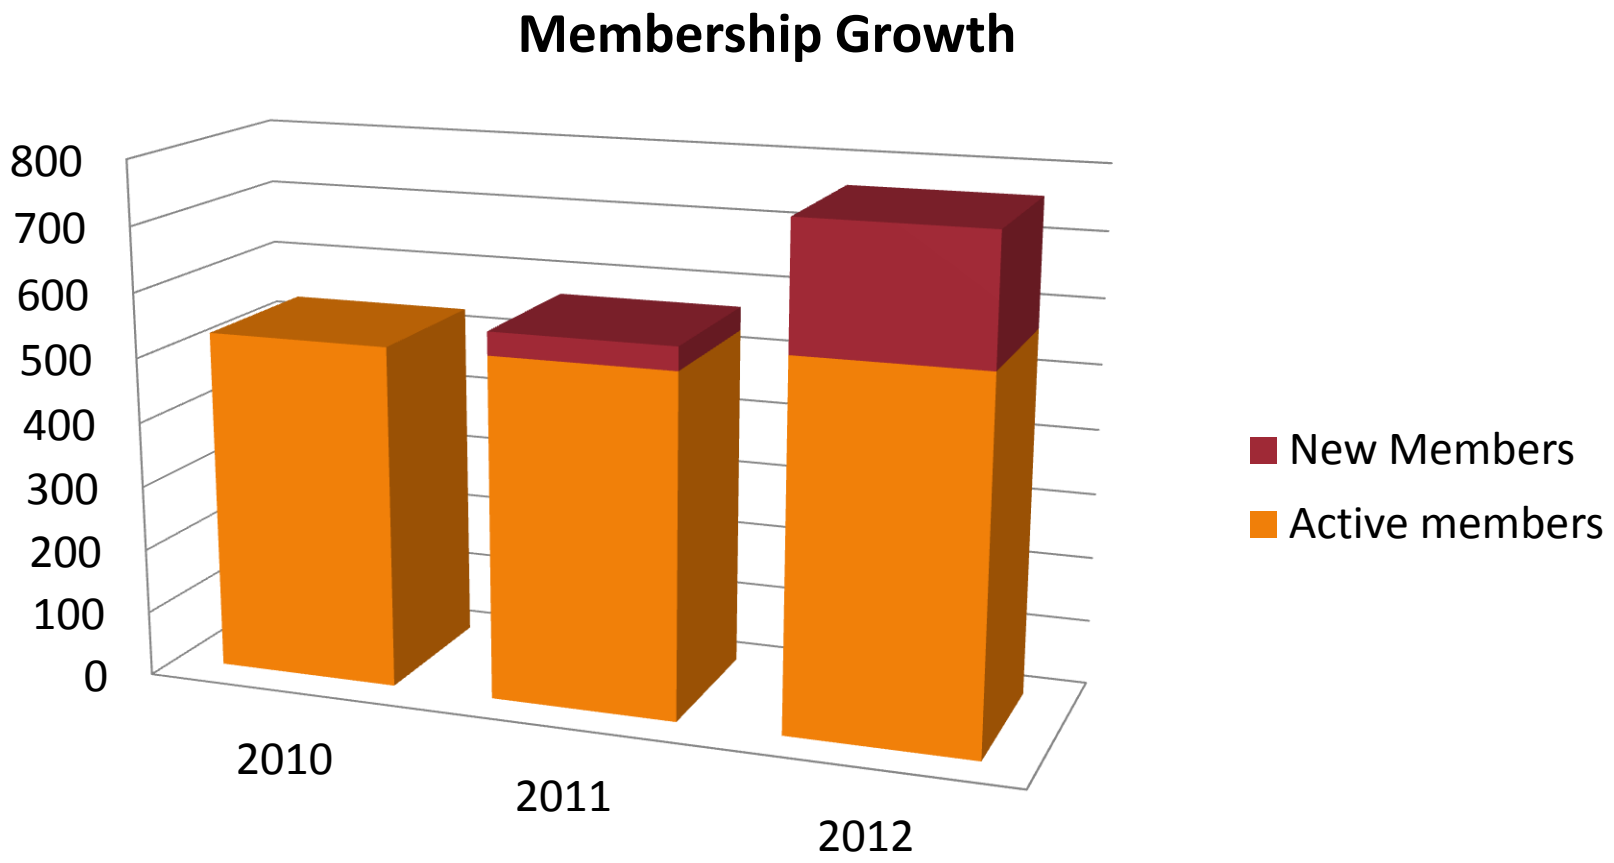
Research & Knowledge

- NAEA conducts research and generates knowledge that enriches and expands visual arts education, and widely shares that research and knowledge.

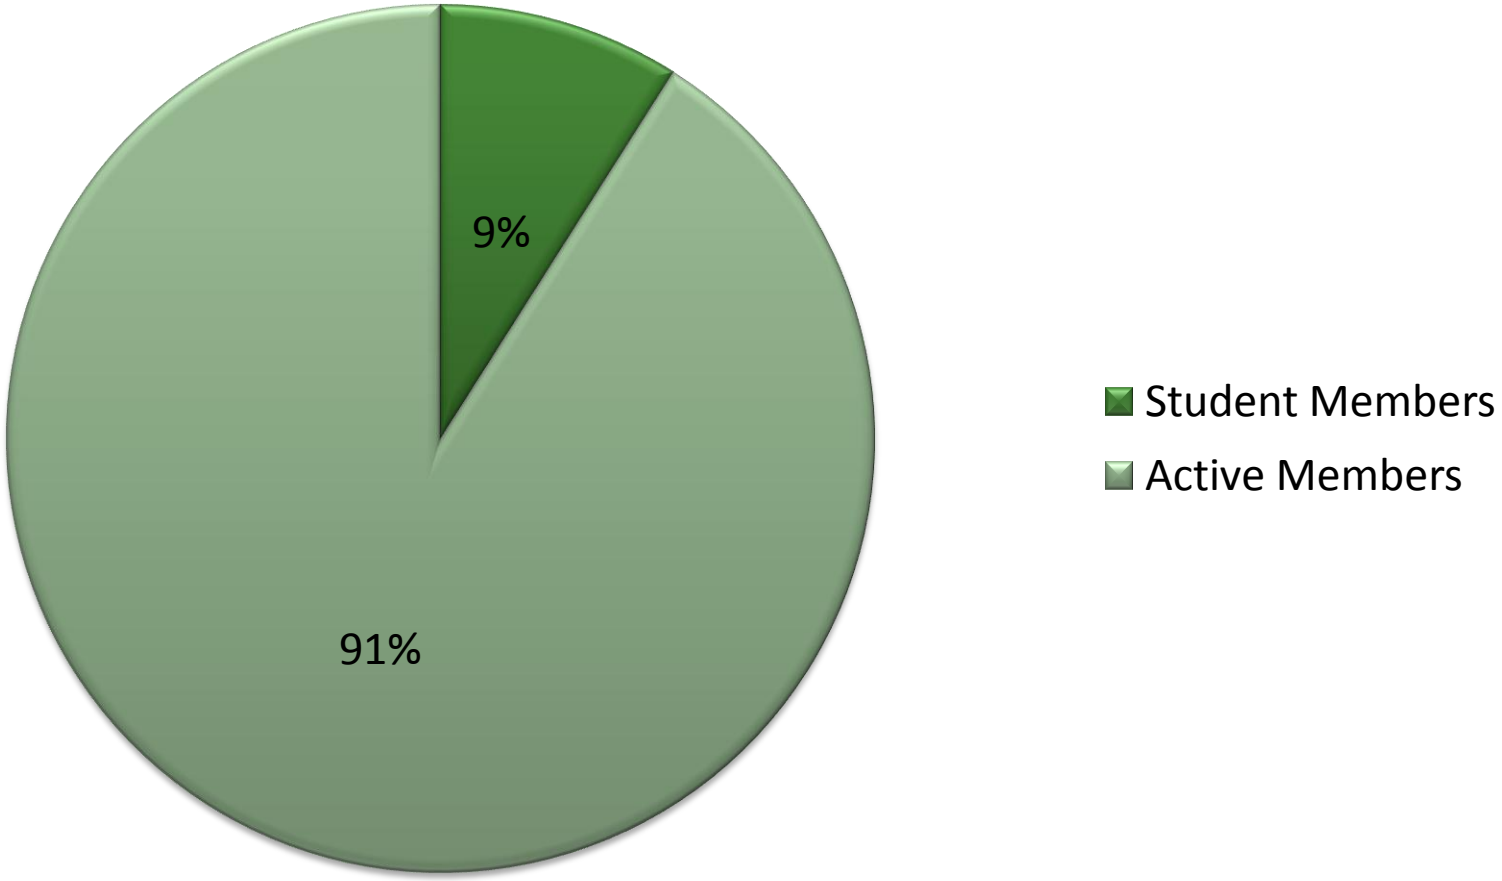
What is our place within the larger organization of NAEA?



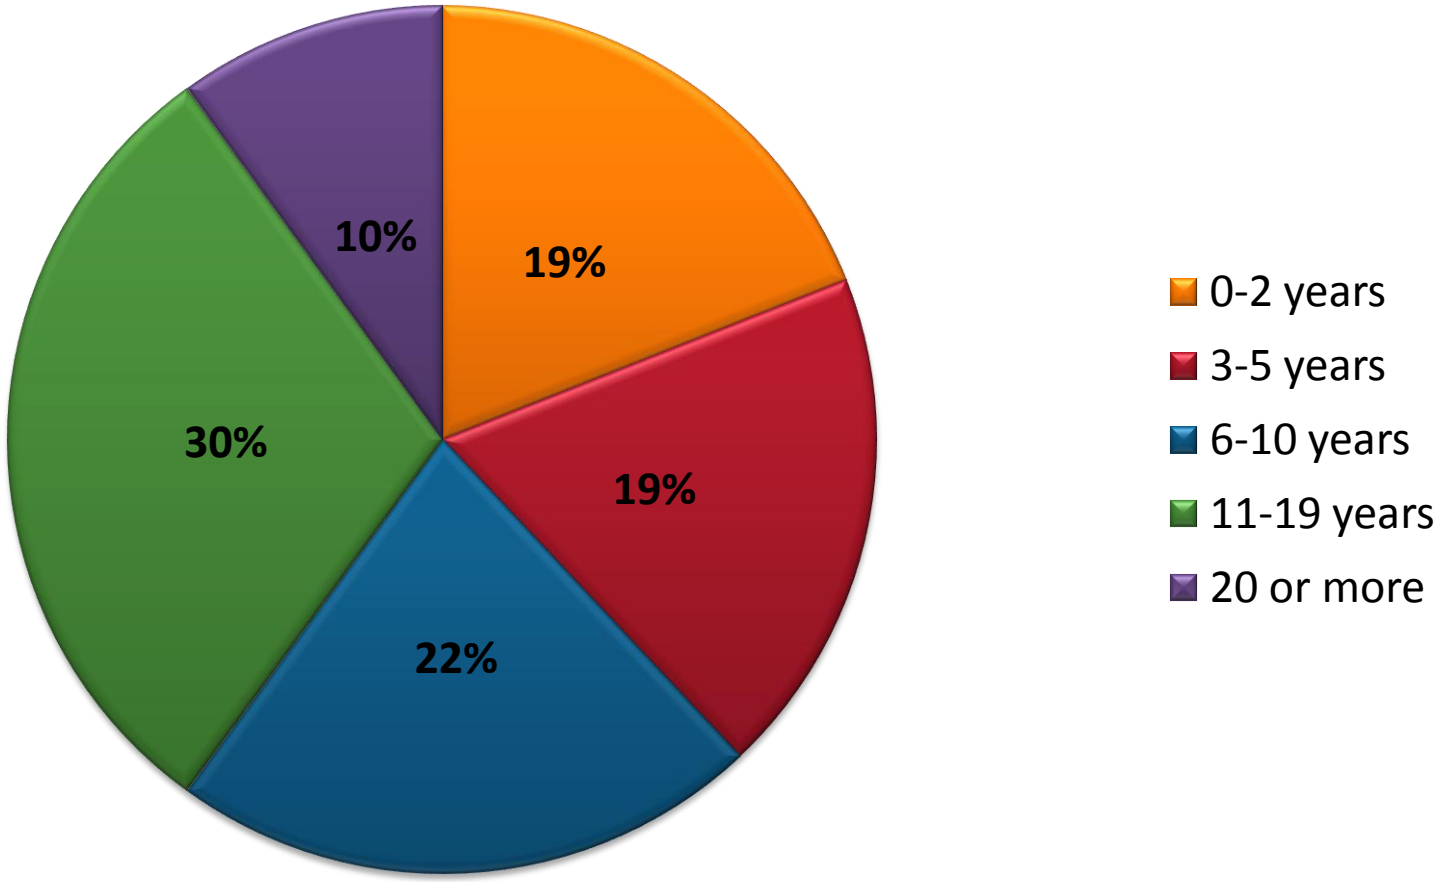
What is the Museum Education Division?



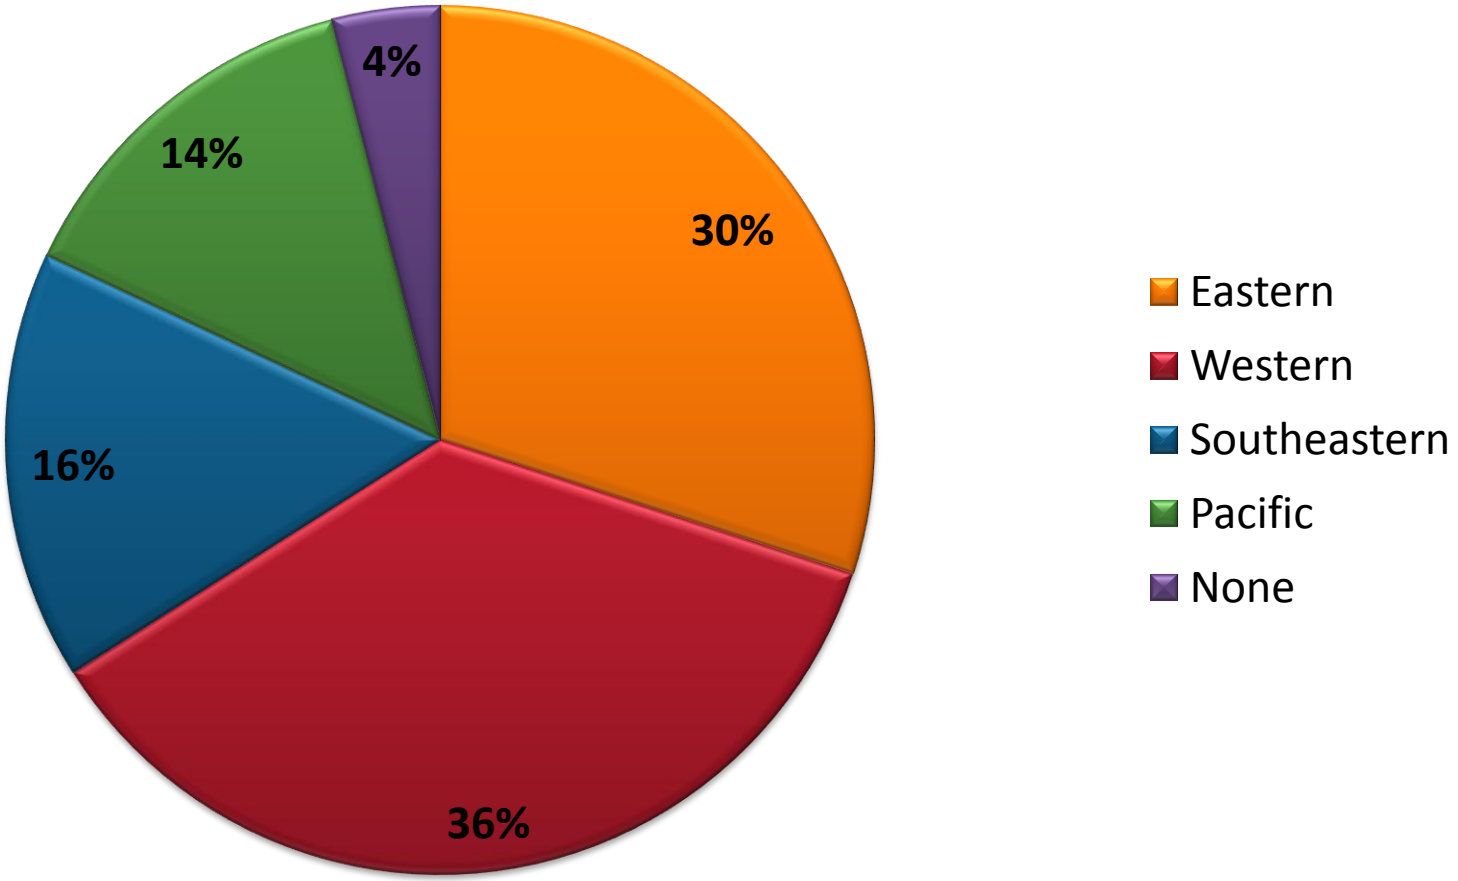
How many students are in the Museum Education Division?



Membership: Years in the Museum Education Field



Membership by Region



Development Committee: Museum Ed Division Directors
