"Voices In Urban Art"
Thursday, 3/7/2013 @ 11:00 am
Texas Ballroom D/Omni/2nd Floor.

Chakaia Booker & Earth Day
6th Grade
2 weeks, April 12-19

Students will be able to understand that

1. Art can be a vehicle for important social messages
2. Compare & contrast artworks that send messages about the environment
3. Create a sculpture with an environmental message

Materials

a variety of recycled materials
Photocopy of Booker's work, Explorations in Art, Davis Publications

Project:

Students will be able to create a sculpture using a variety of recycled materials.

Evaluation Criteria

- Sculptures contain an environmental message
- Sculptures express a connectedness to nature using a variety of recycled materials or found objects

Assess

- Recycle & restore: students understand that art can be a vehicle for important social messages
- Sculpture with a message: students compare and contrast artworks that send messages about the environment
