- This is the first NAEA convention I've attended.  This is not the first NAEA convention I've attended.

As we continue to strive to make the member experience better, it is necessary for us to survey our constituents about the needs they have and how the Elementary Division can continue to best address those needs. Please take a few minutes to complete this survey. The information will be used as we plan the 2015 New Orleans National Convention, March 29-31, as well as continue our work throughout the upcoming year.
