

# Visual Art – WOW! Project Rubric

NAME: \_\_\_\_\_ Pd. \_\_\_\_\_

List your two best projects below. Consider your choices and choose the best pieces you have completed this quarter.

1. \_\_\_\_\_

2. \_\_\_\_\_

Objectives & Criteria	REALLY WOW! Advanced – 10-9 points	Nice Work! Proficient – 8 points	Almost there... Basic – 7 points	Needs more! Below Basic – 6 or less points
<b>Designs with elements and principles of art</b> <i>Applying elements and principles with art media</i> Project #1 _____ Project #2 _____	-Skillful use of elements and principles of art in creating this artwork. -Good composition -Great thought/care placed into what colors, lines, etc. are used.	-Show an intermediate understanding of design. -Thought and care placed into artwork, but design is not above and beyond.	-Shows a basic understanding of design. -Some thought placed into the design of the work, but some areas lack thought or are unfinished.	Little understanding of elements and principles of art. -Not much thought placed into the creation of work. -Lots of empty space in 2D work -Lack of balance in sculpture.
<b>Craftsmanship &amp; Presentation</b> <i>Creating and presenting artwork like an artist</i> Project #1 _____ Project #2 _____	Extreme attention to detail and care has gone into this piece! It is obvious that lots of time and effort was put in to complete. Work is: <ul style="list-style-type: none"> <li>Mounted &amp; ready to display</li> <li>free of smudges, rips &amp; unnecessary marks</li> </ul>	Work shows time and effort was put in to complete. Work is: <ul style="list-style-type: none"> <li>ready to display</li> <li>free of smudges, rips, and unnecessary marks</li> </ul>	Some time and effort was put in to complete the work. Work is: <ul style="list-style-type: none"> <li>ready to display</li> <li>mostly free of smudges, rips, and unnecessary marks</li> </ul>	More time and effort is needed to complete the work. Work is: <ul style="list-style-type: none"> <li>Messy and/or smudgy</li> <li>unglued collage pieces</li> <li>construction that is falling apart</li> </ul>
<b>Self-Expression</b> <i>Communicating using visual and verbal language</i> Project #1 _____ Project #2 _____	-You put your heart into this work! -Clearly communicates an idea, thought, feeling, mood, or place. -Consistently expresses ideas individually and when working with groups.	-Mostly communicates an idea, thought, feeling, mood, or place. -Often expresses ideas individually and when working with groups.	-Partially communicates. -Limited visual imagery that communicates an idea, thought, feeling, mood, or place. -Sometimes expresses ideas individually and/or within groups.	-Unclear or No Communication through visual images. -Very reluctant to express ideas individually or contribute ideas to group projects.
<b>Engaged &amp; Problem Solving</b> <i>Willing to take risks and the ability to persist through problems creatively</i> Project #1 _____ Project #2 _____	-You pushed yourself outside your comfort zone and took risks to explore new content or media in your original work. -This work may have been frustrating to make, but you persisted.	-Some risks were taken in pushing outside of your comfort zone and all work is original.	-You pushed yourself to explore new media but played it sort of safe. -Limited risks take with media and subject matter.	-You stayed with what you know and reproduced someone else's work. -No risks were taken.
<b>Reflection</b> <i>Reflecting on his/her own learning, artistic process, and artworks</i> Project #1 _____ Project #2 _____	Clearly discusses and/or explains in writing why choices were made during the creative process; describes with insight what did or did not work; Uses art vocabulary	Can describe some key aspects of decision-making and problem-solving process; uses some art vocabulary.	Has difficulty describing his/her own creative process; limited art vocabulary.	No attempt or interest in reflecting on development of his/her own work; no art vocabulary.
<b>Student Total</b> Project #1 _____/50      + Project #2 _____/50      +		<b>Teacher Total</b> Project #1 _____/50      = Project #2 _____/50      =		<b>OVERALL TOTAL</b> Project #1 _____/100 Project #2 _____/100
