

**Kendall Art Education
Student Association**

Kendall College of Art and Design
of Ferris State University

February 14, 2014

Dear Potential KAESA Benefit donor,
Amore Trattoria Italiana

The members of the Art Education Student Association of Kendall College of Art & Design of FSU (KAESA) will be hosting a benefit event on April 4, 2014. We are raising funds for service-learning projects within our local community and to support the professional development of our students. We are respectfully requesting that you join us and that you become a donation partner.

The nationally recognized, KAESA was the recipient of the 2014 Outstanding Student Chapter Award given by the National Art Education Association for the works the members do for the community and profession. The students have organized and hosted a Soup's-On event, created several works of art for donation to Degage' Ministries, regularly volunteered making lunches for Kid's Food Basket, created portraits of orphaned refugees for the Memory Project, volunteered for ArtPrize and GRAM and a multitude of other philanthropic endeavors. The group has hosted it's own pre-service teacher conference for students across the state and has provided small scholarships to the Michigan and National Art Education Association conferences. This benefit helps to fund these efforts and teaches students to be community leaders and lifelong learners.

The KAESA Benefit is a silent auction. We will auction works of art created by Kendall students and local artists and items and services donated by the community. Please consider donating a gift(s) that can be included as auction items and/or send monetary donations. In return we will include your company's logo and information on all the Benefit promotional materials and will post it during the night's events.

KAESA students are able to pick up donations from your location. All checks can be written to the Kendall Art Education Student Association. Please contact Sara Buzzitta with any questions or if you are interested in helping our future art educators!

We greatly appreciate your time and consideration.

Warmest Regards,

Kendall Art Education Student Association (KAESA)
