- FUNDRAISING!!!

Artsonia is truly a user friendly & well maintained website, with NO Banner Ads! You will find the answers to all your questions on the website.

Getting Started

Go to: <http://www.artsonia.com/teachers/docs/>

- Here you will find Helpful Documents, like **Artsonia Benefits** and **Teachers Users Guide**.

You will need...

- to get your administrators approval, share the Artsonia Benefits document with your administrator.
- access to a digital camera or iPhone, computer with an internet connection
- permission from student's parent/guardian, send out slips to ALL your students' before you even begin.

Getting Organized

• Permission Slips

- You can find an example on the Artsonia Web Site or see attached.
- Send out to all your students (1 per/family)
- Make it cover the **tenure** of the student's time at the school/district, this way you will not have to send them out each year. Only new students and the incoming class.
- Keep track of who has permission on you class roster (on Artsonia).

• Your Class Lists -

- Input **ALL** of your class lists before you upload artwork for the students.
- This is the PERFECT job for a volunteer OR
- Upload a spreadsheet of your class lists (see the website for more information).
- Artsonia will then create **Student Rosters**, by grade and a **ScreenName** will be generated for each student.
- Next take the time to put the student names into **GROUPS!**

• Student Screen Names

- Input children's first & last name and Artsonia will generate a ScreenName (first name + a number, - Susan47).
- **LAST NAMES ARE NEVER PUBLISHED!!!**

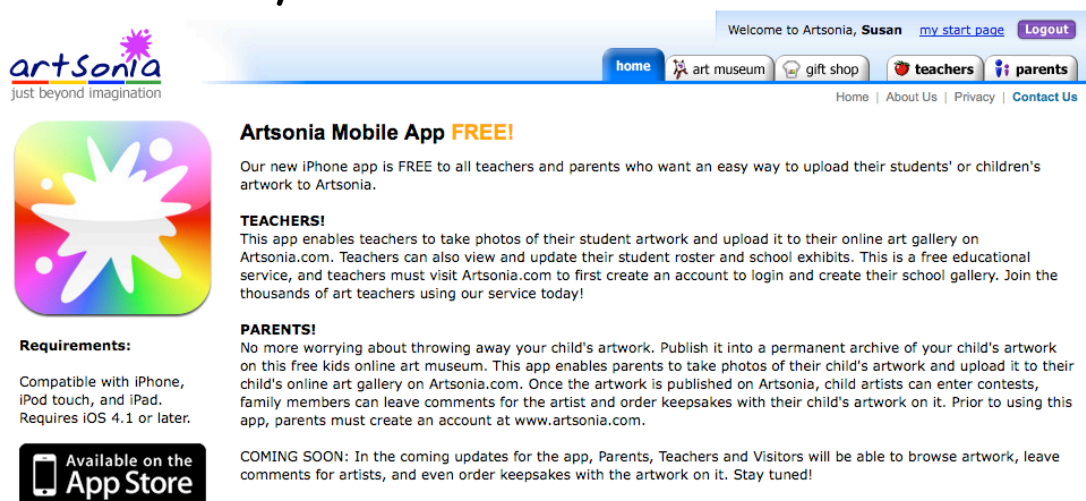

- **Tips & Tricks**

- Have a notebook and pen handy.
- Make a pile of all the artwork.
- Write down the names of the students who created the artwork **in the order of the pile.**
- Take photos of the artwork. If you take more than one photo of an artwork, delete it from the camera right away.
- Transfer the photos from your digital camera to your computer.
- Upload the image files to Artsonia using one of the methods to the left.
- Assign student names to the artwork — they will be in the same order you took the photos.

- **Photograph a “Stack” of Artwork**

- Set the camera resolution to medium or high
- Turn off the flash to reduce “bright spots”.
- Use a well-lit area, ideally with natural light
- Stand squarely in front of the artwork when taking photos. Or, if the artwork is on the ground, stand directly overhead) but be careful of shadows).
- If the artwork has last names, place a piece of tape over the last name (for privacy of the artist).
- Remember, you can crop, rotate or brighten the image after you upload it, so make sure you capture the entire artwork.

- **Get the APP for your iPhone**

The screenshot shows the Artsonia website interface. At the top, there is a navigation bar with links for 'home', 'art museum', 'gift shop', 'teachers', and 'parents'. A welcome message reads 'Welcome to Artsonia, Susan' with a 'my start page' link and a 'Logout' button. Below the navigation bar, the main content area features the Artsonia logo on the left and a promotional section for the 'Artsonia Mobile App FREE!' on the right. The app icon is a colorful starburst. The text describes the app's features for teachers and parents, including uploading artwork, viewing galleries, and leaving comments. A 'Requirements' section lists compatibility with iPhone, iPod touch, and iPad, and notes that it requires iOS 4.1 or later. An 'Available on the App Store' badge is also present. A 'COMING SOON' notice at the bottom of the app section mentions future updates for browsing and ordering keepsakes.

Spring 2012

Dear Parents/Guardians,

This is Mount Prospect School's thirteenth year as a member of Artsonia (www.artsonia.com/prospect1) a website that is the world's largest student art museum on the Internet. Artsonia showcases artwork from thousands of schools from over 100 countries. Artsonia's goals are to help develop students pride and self esteem, increase their multicultural understanding through art and involve parents and relatives in student education and accomplishments.

I am writing to you to seek your permission to showcase your child's artwork on Artsonia. **This permission will cover their tenure at Mount Prospect School.** This letter is going to incoming Kindergarten students. This does not guarantee artwork will be selected, but will allow me to post artwork without having to wait for permission. If at any time you would like to change your permission status please put your wishes in writing and send them to me at school. It is very important that you read the note below, sign this form and **RETURN** it to me, so that I can submit your son's/daughter's artwork for display on Artsonia. If you have more than one **incoming kindergartener** please list them below. I will keep all permission slips on file. **If I do not have your permission I will not be able to showcase your child's artwork.** I believe that this is a unique educational opportunity for your children - my students.

Yours truly,
Susan Bivona, Art Teacher * Mount Prospect School
