

Creating your Wix Website

Presented by: Dr. Natalie Blake, Hannah Brown, Peggy Martinez, Jennifer Patton, Christina Ritchey

Step 1

Create an account

Accounts are free to create; all you need is an email address and a password.

Click **Sign up** to create an account.

Click **Login** and enter your username and password whenever you come back to Wix.

Step 2

Choose a template

Click **Create** when you are ready to start a new website. You can create as many websites as you like!

Browse through the templates. Click on a template to view it. Click **Edit** when you are ready to begin working on a template.

Most templates are free of charge. There are some templates that have a fee.

Step 3 Edit your website

Edit your Wix by adding images, documents, audio and video. Choose from Wix stock in **Add** or add your own in **My Files**.

Change your **background** or template text by clicking in your template and editing.

Get the word out about your Wix by clicking **Blog** and blog about it!

If you have trouble or questions, click help at the top of your Wix. You will have many options including Q & A and video tutorials

Step 4 Publish and share

Click **Publish** when you are finishing editing. You will be prompted to name your Wix and given a url.

Once you have published your website, you are able to go in and edit and update your Wix as needed.
