

How To

Get Started

Go to www.voki.com.
Select Register
Create your Voki Account
Select Sign Up.

Customize Your Voki

Select the Create Tab at the top of the website.

Option 1: Use a Voki already created.

-OR-

Option 2: Begin creating your own Voki by using the Customize Your Character options.

Give your Voki a voice

Option 1: Type in what you want your Voki to say. Then select an accent and a voice from the drop down menu.

-OR-

Option 2: Record your own voice using your microphone and the recording options.

Publish your Voki to the web

Option 1: Copy and paste the code into your webpage so the Voki will automatically appear on your webpage.

-OR-

Option 2: Link the Voki to your webpage so viewers have the option to view it.

My Vokis

Once you have created a Voki it will appear on you're My Voki Tab. Here you can edit existing Vokis and republish old ones.
