To whom it may concern,

On behalf of Streamwood High School, I am very pleased to announce the launch of a brand new summer program for children ages 4½ through 6th grade. Classes will be held at Streamwood High School once a week where students will gain memorable experiences working in a variety of media. Students in all levels will experience projects engrossed in drawing, painting, photography, sculpture and ceramics. At the end of their artistic experience, students will be able to enjoy an exhibit highlighting their magnificent works.

If this is something that your children would be interested in participating in, please feel free to distribute the following registration information. Details can also be found on the Streamwood High School website.

If you have any specific questions or concerns, please feel free to contact me at any time.

Artfully Yours,

Sarah Cress
