

### **What Can I use to Make ATCs?**

ANYTHING! It really depends on the subject matter or what you are trying to accomplish with the ATC. I typically have students use paint, crayon, colored pencil, sharpie, collage materials, etc. Marker can look sloppy at times, so I try to stay away from normal markers unless the student is doing a free choice card.

### **Do I Really Have to Cut All of These?**

NO! I spend about \$75 at Kinkos at the start of the year. Kinkos has an automatic cutter, which makes perfect cuts. I simply pick out my cardstock (my paper of choice for
